SCHOOL NOTES.

By Supt. W. H. Johnson.

We wish to again remind all those in the district who are interested in better schools that Friday afternoon, October 31, is "Patrons' Day." This time is set apart as a sort of "get-together" school occasion. We are expecting a very large delegation of patrons on that day. The teachers and pupils will spare no pains to make the occasion a pleasant one for the patrons.

We thank the mayor and board of aldermen for the tract of land in the east part of town, which they so generously leased to the school for agricultural purposes. This act shows that our city council is composed of public spirited men who realize that what is good for the school is likewise good for the town.

This week closed our second month of school. Verily, time doth fly!

The outcome of our Clarkton games last Saturday were two decisive victories for our teams. Clarkton will give us return games Saturday of this week. Be sure to see these games.

"Patrons' Day," Friday afternoon, October 31.

Dennis Green, government cotton statistician for Pemiscot, New Madrid, and Mississippi counties, was in Hayti Saturday afternoon, and reported to us that up to September 25, 149 bales of cotton had been ginned in Pemiscot county, against 97 bales for the same period last year. This is remarkable, and shows that the present crop will soon all be on the market.

Spring and summer is gone, and not a thing has been done by the city towards concrete sidewalks and crossings. Verily, the new mayor has made an inglorious spectacle of himself. But perhaps it took all of his time to "put the Herald out of business and make YORK walk out of town." But the Herald and York are still here, and very much alive.

Wonder how many Republicans will vote in the primary election to be held at Caruthersville to nominate a Democratic postmaster? Is it not reasonable to presume that the Republicans will attempt to slip in and vote for the bolter—the Democrat who scratches his ticket? Is that the kind of man who is entitled to be postmaster at Caruthersville?

Judge W. W. Tarkington and V. P. Adams went down to Cottonwood Point Wednesday, to attend a meeting of the Masonic lodge, and returned Thursday. The lodge is preparing to move to Steele.

Wanted—Logging Teams and Timber cutters at Swift and Brinkerhoff, Cape Cooperage Co., Cape Girardeau, Mo.

Miss Nelle Slicer visited home folks in Kennett Saturday and Sunday.

Notice to M. P. L. Members.

This is to notify all members of the M. P. L. that their dues must reach me not later than the last of each month, otherwise they will become suspended. Lodge dues must be paid to me at my residence.

Mrs. ELIZA POPHAM, Secretary.

And I will on

THURSDAY, NOVEMBER 20TH, 1913 between the hours of nine o'clock in the forenoon and five o'clock in the afternoon of that day, at the front door of the court house in the City of Caruthersville, county and state aforesaid, and during the session of the Circuit Court aforesaid, expose for sale at public auction for cash in hand to the highest bidder, all the right, title, claim and interest of the above named defendant of, in and to the above described property, or so much thereof as will satisfy said execution and costs.

Dated October 23, 1913.

M. STUBBLEFIELD, Sheriff of Pemiscot County, Missouri.

It seems that Yum Kippur should have come to the aid of the man who has chiefly engineered the boycott. Surely, they cannot afford to lose him from their brigade.

Mrs. Wm. Hale of Kennett, who has been visiting relatives and friends in this city several days, paid this office an appreciated call Tuesday, and renewed her subscription.

Just as we go to press the sad intelligence comes to us that Miss Beulah, the beautiful and lovable daughter of Mr. and Mrs. T. J. Greenwell and sister of Leo Greenwell, is dying.

Miss Grace Queen has accepted a position at White's candy kitchen.

Von Mayes attended to legal business before the federal court at Cape Girardeau Monday.

Wonder if a part of Ralph Heath's \$900.00 shortage did not go towards importing the Socialist here to put the Herald out of business. It looks rather suspicious to us. For instance, the man who was used as a tool to put the money up was imported to put up the money to cover Heath's shortage, then, again, the two "peesnes" men, who happened to be bank directors, sought to cover up their tracks, but we caught them just the same. Now, won't you be good? Next!

Col. Collin Morgan came over from Paragould, Ark., Saturday, to pay a short visit to his sons, Charlie and Fred. He will leave in a few days to visit his daughter, Mrs. Angie Wallace, at Stockton, Calif., and says he does not expect to return until after the World's Fair, in 1915. He plans a pleasant trip, and from what we know of the trip and the country, we are sure he will have a great time.

The merchant who quit advertising with us because Lefler and Averill had contracts on the front page of the Herald, was quick to take up the Socialist when it started; but we observe his ad has never appeared on the front page of the Socialist. We are glad to see him advertise, however, and only regret that he is advertising in a paper without circulation. But perhaps his spite is worth the amount he pays.

Dixie Reed, the farmer-merchant, was in town Saturday, and informed us that he would be very glad to sell the right-of-way for the new road at the levee across his place, but expected to make a cash deal of the matter, and that he understood he could not cash the county warrant. Doubtless the city will see to it that some arrangements are made so this road can be opened.

From the way the gang wanted to raise the \$900.00 to cover the shortage of their henchman, Ralph Heath, indicates that they will spend a few more dollars on Walker before he gives up the ghost. That is O. K. with us, however. The more they lose the more they will be hurt, and the longer they will remember their lesson the better it will be for us.

The more you think about the primary election at Caruthersville to nominate a democratic postmaster, the more you will see it lessens the chances of some good Democrat to receive his just and well-merited reward. If, after years of faithful party service, a man must be placed on an equal footing with the party bolter, there certainly is but little or no recognition for his service to the party.

John L. Ransburgh, county clerk of New Madrid county, came down Friday, to attend to matters in connection with his brother's estate. He was accompanied by his wife and two children. Mr. Ransburgh informed us that he found the affairs in fairly good condition, and that he expected no trouble in adjusting same.

We had been told by a certain Socialist, who was evidently on the inside, that the Frisco was standing back of and financing the new paper against us. Did he then know all the money was from this end of the line?

The president, in his great wisdom, has seen the necessity for an election in Mexico, but so far we have heard no expression of his as to the necessity of an election in Caruthersville to elect a postmaster.

UNFAIR TO DRUGGISTS.

The Old Jokes About "Something Just as Good" Doesn't Apply to This Drug Store.

You have probably heard dozens of times the old story that a drug store was a place to "get something just as good." There is at least one druggist in the world that you can't say this about.

It is certain that an inferior article will never be substituted for a guaranteed one at Lefler's Drug Store. Take for instance a safe, reliable remedy for constipation and liver trouble, like Dodson's Liver Tonic. This harmless vegetable liquid has proved so satisfactory a liver stimulant and reliver of biliousness, and to entirely take the place of calomel without any danger or restriction of habit or diet, that there are dozens of preparations springing up with imitations of its claims.

But Dodson's Liver Tonic is guaranteed to do all that is claimed for it, and if you are not satisfied with it, Lefler's Drug Store will hand your money back with a smile. Any person going to this store for a bottle of Dodson's Liver Tonic will be sure of getting a large bottle of this genuine remedy in exchange for his half dollar. (Advertisement.)
